Dear Ambassador,

Let me express to you my very deep sorrow on learning the violent death of the U.S. Ambassador in Kaboul. We know that our Diplomatic Corps is a risky one and that we have to be prepared for this kind of sacrifices. Nevertheless it shows how diplomats are chosen as special victims in situations of change by subversion.

Please extend my feelings to the U.S. Government and to the family of the deceased Ambassador.

Sincerely yours,

Nuño Aguirre
